Introduction

Sligo Family Resource Centre (FRC) has been in existence since 1995. Based at 49 The Mall, Sligo this FRC is one of 121 FRCs in the country. The FRC Programme is Ireland's largest national family and community-based support programme core funded by Tusla Child and Family Agency.

Mission of Sligo FRC is to:

To support individuals, families and communities to reach their full potential and in doing so help to build a stronger healthier community.

Sligo FRC has based its objectives on the Túsla CFA National Programme Outcomes for parents and children:

1. Active and healthy, with positive physical and mental wellbeing.
2. Achieving their full potential in all areas of learning and development.
3. Safe and protected from harm.
4. Economic security and opportunity.
5. Connected, respected and contributing to their world.

Sligo FRC objectives:

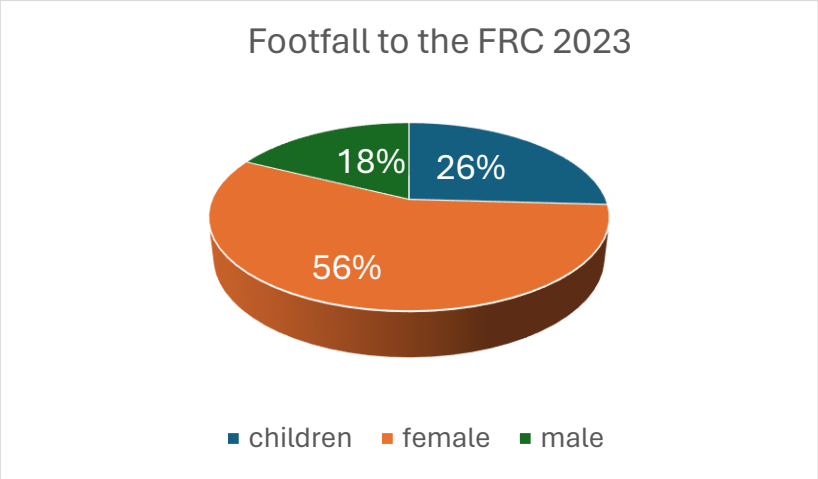

- That individuals, families and groups have access to a range of supports and services that enable and promote participation in society.
- That people actively avail of a variety of community-based learning and development opportunities.
- That children's holistic development is nourished in a safe, comfortable and fun environment.
- That individuals and families are supported in times of need.
- That minority individuals and groups are empowered to participate in their wider community.

2023 saw the work of the Board of Management continue to be taken up with concerns about the building. The building is badly in need of a new roof and the electrics need updating. Negotiations with the landlord which started in 2022 continued into this year. Other premises have been looked at but as the FRC requires a central building with an outdoor space (a requirement for the creche), options are limited. We will continue this work into 2004.

A statistical analysis of every aspect of Sligo FRC's work is made annually through the FRC's SPEAK (Strategic Planning Education and Knowledge) recording system. This annual report is intended to give the reader a flavour of the various services, events and activities offered by the FRC in 2023.

2. Information and Services

Sligo FRC welcomes all members of the community to avail of its programmes and services and/or to find out more about other services or opportunities in Sligo. There were 6,704 visits to the FRC in 2023, the breakdown is outlined below. In addition to this we have used the Presbyterian Hall, Clayton and Glasshouse Hotels, Ballisodare IPAS and other IPAS centres, Markievicz House (Countess Café), Sligo Education Centre, Ballymote FRC, Screen Health Cetnre, Mental Health Unit SUH, as well as homes of families we work with and outdoor spaces for our services and events. These are not counted in the footfall to the FRC.

Information Social media usage increased (see below)

Sligo FRC Facebook: https://www.**facebook**.com/**SligoFamilyResourceCentre** 3,696 followers (increase of 8%)

Instagram: 596 followers (increase 8%) Twitter: 290 followers (increase 9%)

Sligo Intercultural Project https://www.facebook.com/SligoInterculturalProject/ (966 followers up 0.03%)

Social Prescribing: https://www.facebook.com/SocialPrescribingSligoandSouthDonegal

622 Followers (increase 210%) Instagram: (491 followers)

Business facilities at the Centre are available for hire at subsidised rates to facilitate community groups and organisations to meet.

3. Parenting Supports

Parent and Toddler sessions: These were run on Tuesday mornings 10:30 – 11:30. For most of the year, they were not facilitated as we were unsuccessful in replacing the group facilitator. In September, Anna Tulin Brett took over the facilitation on the group and numbers began to slowly rise. We ran a number of **Messy Play** sessions which were well attended – these were for parents and children aged 8 months and older.

Dads' group is run in collaboration with Sligo Springboard Resource House Project. In 2023, the group met 5 times and 8 Dads attended at different times.

Breastfeeding supports: Sligo FRC runs a Breastfeeding Group on the 1st and 3rd Thursday of the month. Therese Harrison Borgan who facilitated the group as a volunteer joined our Community Employment Scheme in September and continues to facilitate this group. Meetings are held in the FRC with the occasional session in the Glasshouse Hotel. The Group was also visited a number of times by the HSE Lactation Consultant. In addition, Sligo FRC continues to support the **"*We're Breastfeeding Friendly Sligo*"** initiative, in partnership with Lifestart, CYPSC and the HSE.

This year we facilitated the Maternity Unit in Sligo University Hospital to undertake three sessions on parents **"Maternity Experience".** Up to 20 parents over the three sessions took part in this evaluation imitative. Learning from these focus groups will be used to improve and enhance. the maternity experience for future parents

Access visits: We provided space for 8 parents to meet-up with their children for access visits during the year – 94 visits took place during the year, all supervised by Tusla CFA.

Parenting Strategy for Sligo/Leitrim: Much of the work we do in relation to parenting is based on the information collected from parents and others in the compilation of this strategy in 2022.

Parenting Support Champions (PSCs) is a Tusla Parenting Support Strategy whose aim is to promote seven general messages and the 50 key messages for parents within the Parenting24seven initiative. There are six PSCs in Sligo/Leitrim of which the Sligo FRC manager is one. In 2022, we were delighted to launch the website https://www.parenthubslwc.ie/ and we continue to support the Parent Hub Coordinator in ensuring the information is recent and relevant.

In October 2023, with funding from Tusla through the PSC initiative, we hosted a Standup **Paddle Boarding** session for parents and children aged 11+. This was done in collaboration with Foróige. 14 parents and 15 children attended.

Every year Sligo FRC hosts an information evening for parents in collaboration with Sligo Education Centre. In November the topic was **Children and Anxiety**. The speaker was Dr Sharyn Byrne, Clinical Psychologist. 75 parents registered and 49 attended.

Very engaging and easy to listen to. No nonsense & practical tips.

(attendee at Children and Anxiety information session)

Danú Birth Mother's Support Group has been meeting since 2005 and continues to be facilitated by Sligo FRC manager, Sheila Gallagher Tusla SW and Carmel McNamee, volunteer. The group met five times in 2023 in Castle Dargen Hotel. 10-12 women attend each

session. The women who attend come from Donegal, Galway, Leitrim, Mayo, Sligo and Tyrone. More information can be found on our website: https://birthmothersgroup.com/

I am Baba – with funding from CYPSC Sligo Leitrim and in collaboration with the Hawkswell Theatre, we hosted this sensory-filled event for parents and their babies in November 2023.

Recycled clothes During 2023, we continued to support families with second-hand clothes advertising them on Facebook as we needed them.

It was nice to sit down in a calm relaxing environment to connect with my baby, taking time from the hustle and bustle of everyday life. (attendee at I am Baba)

School Kits As part of the SMD Programme we were able to give school kits to 144 children in 2022. These included junior and senior primary school and secondary school children.

Camps for parents and children

This year we ran a number of camps for children aged 4-6 years and 7-12 years. In February during mid-term, we ran a craft Camp for the older age group and in July we ran a Kiddy Camp for the younger age group and a second craft camp for the older children. Izzy Claffey and Martha Van Der Meulen facilitated these Camps with the support of volunteers.

In addition, we ran a series of **Family Cookery Camps (5)** using the home economic kitchens in Summerhill College, Sligo and St Mary's College Ballisodare. The Camps were run for three consecutive mornings 10:00-12:30 and were facilitated by home economic teachers. Three of the Camps were run in the summer and two at Halloween. In total 69 children and 48 adults took part.

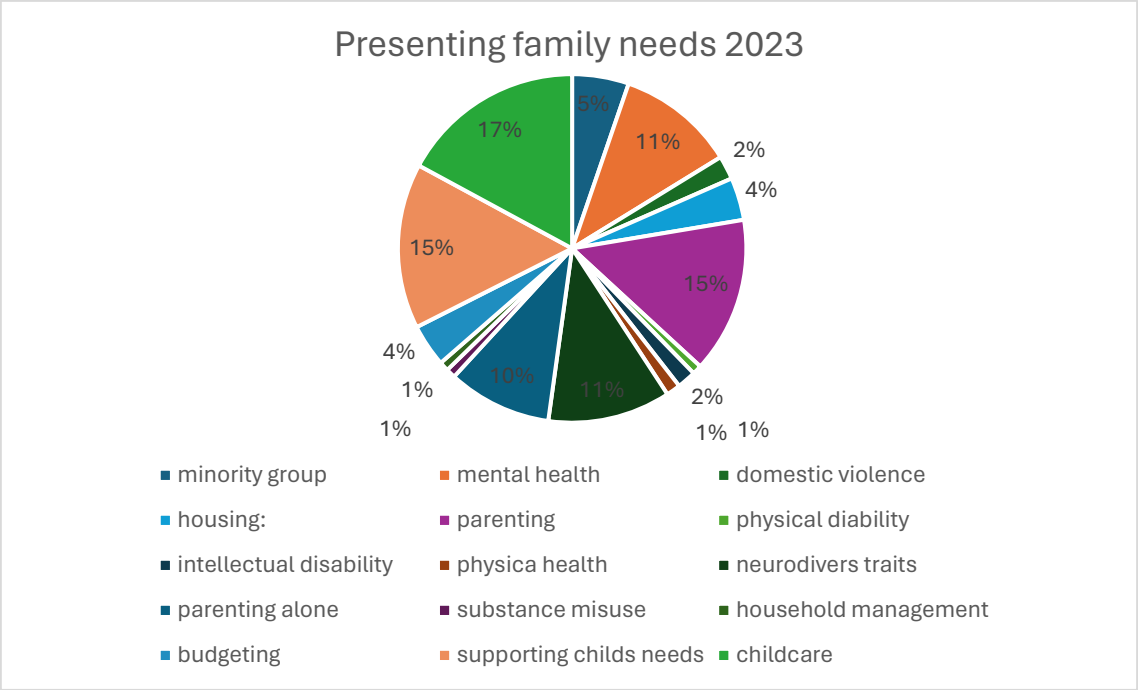

Everything was so well planned and prepared. It was 100% available for the kids, It was local, It was free of charade as live financially is difficult for us. To teacher was amazing, kids loved it all. 100% perfect and enjoyable.

4. Family Support Service including Footprints Drop-in Crèche

The **Family Support Service** including Footprints crèche is funded by Tusla Partnership Prevention and Family Support (PPFS) office, Department of Children Equality, Disability Integration and Youth under Pobal and Department of Social Protection. In 2023 the Service provided home based targeted family support to 68 families with 128 children in north Co. Sligo, north Co. Leitrim, and Sligo Town (Child and Family Support Network area CFSN 1). This amounts to on average 20 families each week.

This year staff hosted 3 very popular movie evenings for the children in the service – 9, 11 and 6 children took part in the three evening. These took place in the FRC. In addition to the direct work with parents the Family Support Workers run the Parents Plus programmes (see below).

Presenting needs of families are collated each year – these are shared with the CFSN Area 1 meetings

Parenting programmes A **Parents Plus** Early Years Programme was rolled out with Lifestart – 6 parents attended. Meanwhile 32 parents availed of the Parents Plus programmes one-to-one with their FSW.

Children's Programme for Dads was facilitated in Spring 2023 in collaboration with Sligo Springboard. Five Dads attended this 4-week programme. The Working Things Out Programme was rolled out in St Clare's School, Manorhamilton in collaboration with HYLS -over 40 children availed of this. In addition, the Parents Plus Programme was rolled out to 27 parents one-to-one by the Family Support Workers.

The **Decider Skills Programme** was rolled out in two schools – April – June 2023 in St Clare's school, Manorhamilton (32 children attended) and St Edwards school, Sligo in the autumn (13 children attended).

I just learned to talk things out with my parents rather than snap with them

Child attending Decider Skills programme

The Family Support Workers engaged with a number of **Meithals**[1] which benefitted 9 parents with 10 children.

Footprints Crèche is a service open to all families in Sligo and the surrounding area. It provides sessional care for up to 10 children up to 6 years of age on a once off or continuous agreed basis to facilitate parents to attend appointments, training, employment, counselling etc. In 2023, the creche provided childcare to 39 children from 39 families. Of the children new to 2023, 41% were from one-parent families, 51% come under the heading of inclusion i.e.

[1] Meitheal is a case co-ordination process for families with additional needs who require multi-agency intervention but who do not meet the threshold for referral to the Social Work Department under Children First.

disability/parents moved to Ireland recently and 25% were linked in with the FRC Family Support Service. Referrals were received from Social Work (11%), FRC intercultural worker DVAS and PHNS. Referrals from social work are always given priority.

The annual picnic in Doorley park took place in June.

5. Community based education and training

Sligo FRC works with Mayo Sligo Leitrim Education and Training Board (MSLETB) to provide a variety of training opportunities in the community each year. This year training included knitting, sewing for beginners, sewing and upcycling, also My Baby & Me and Getting Ready for School courses.

6. Services to Adults with Learning Disabilities

In early 2023, we were allocated an additional 38 hours to provide more services to adults with whom we work. Sligo FRC now has six Disability Support Workers (DSWs) on varying hours and one co-ordinator employed in this Service. Our services include One to One support with adults living in the community, the 'The Countess Café' in Markievicz House and the Social Club.

One to One support: Five DSWs are employed to work with thirteen adults living in the community. Their work includes:

- Advocating
- Emotional support:
- IT Support:
- Health and Wellbeing
- Practical Support
- Personal safety
- Employment Support:
- Educational support:
- Mental health:
- Outings / activities:
- Self-Care

'**The Countess Café'** in the foyer of Markievicz has been run by the Disability Service since October 2012. It offers a safe and supportive environment for eleven trainees with mild to medium intellectual disability on work experience each week. It also provides a quality onsite catering service to HSE staff and the public. It is managed by two supervisors and a CE participant. DSWs provide back-up assistance when required.

The **Social Club** was established to enable the people we work with to engage in adult type social activities in the evenings. In early 2023, we recruited 3 additional support workers (one for maternity leave). The social club began in late summer and activities to date include:

- Comedy play (Blue Raincoat theatre)
- Dinner
- Pitch 'n putt
- Bowling
- Halloween Party with games
- ABBA tribute band
- Christmas Market in Galway
- Star weaving

- Cinema
- Kieran Quinn Theme night (Hawkswell theatre)
- Christmas Panto
- Alpaca farm

All staff undertook training on "*Working Effectively with Individuals with ID and mental health difficulties*" one day/week for 7 weeks which they found very useful.

For a second year in a row, Sligo FRC was visited by a number of students from Carlow University, Pennsylvania, USA and had a student, Logan did a two-week placement with the Disability Service.

7. Cultural Minorities

Sligo FRC continues to be actively involved in working with cultural and ethnic minorities.

English language classes continued throughout the year with four different volunteers – two of whom were Ukrainian teachers. Up to 40 students availed of these classes.

Zumba classes continued into Spring 2023 and ran again in the Autumn – these were very much enjoyed and were well attended in particular by women from the migrant, Traveller, and Ukrainian communities. We also hosted two **Line Dancing classes** during this time.

In the March we coordinated a series of **swimming classes for women from the Muslim faith** in the Clayton Hotel, Sligo with Sligo Splash School. These were held on Saturday evenings from 20:00 – 21:00 between March and June. 14 women attended.

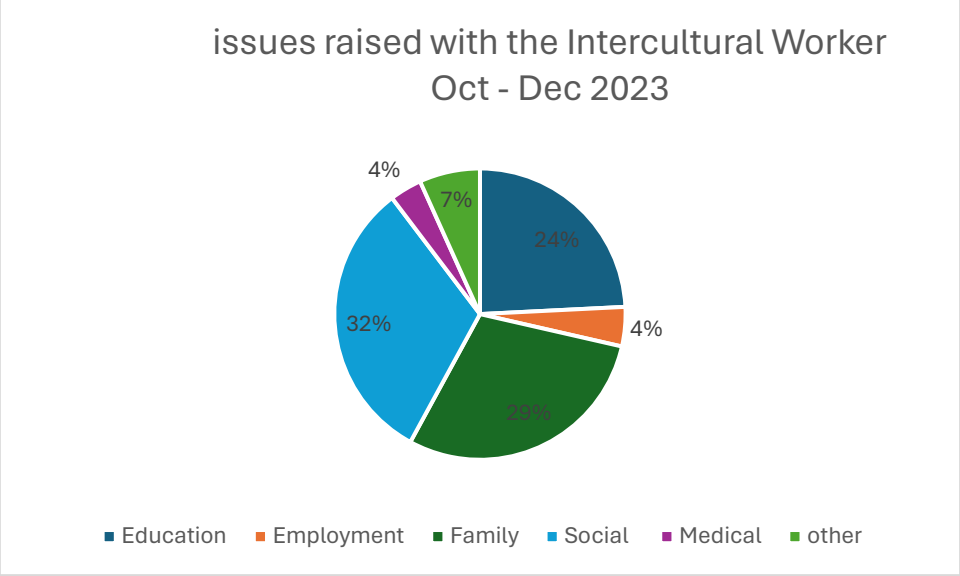

This really gave us a chance as we are Muslims we couldn't find facilities lies this before

(woman who attended the swimming classes)

Intercultural Development Worker In 2023 we were successful in receiving funding from the DCEDIY International Protection Integration Fund, and Communities Integration Fund as well as Tusla Commissioning Office to recruit an Intercultural Development worker. She started in October 2023. The people she worked with had moved to Ireland from the following countries:

Afghanistan	Albania	Algeria	Bangladesh	Cameroon
Columbia	Congo	El Salvador	Georgia	Guatamala
Guyana	Mongolia	Nigeria	Pakistan	Palestine
Sierre Leone	Somalia	South Africa	Swazi land	Zimbabwe

Issues she dealt with are outlined in the chart below – many people had a number of issues.

This year for **International Women's Day** on 08 March, we hosted an event in the Clayton Hotle in collaboration with the Sligo/Leitrim Gardai, Domestic Violence Advocacy Service (DVAS) and Sligo Leader Partnership to highlight the services for women in the Sligo/Leitrim area. Up to 150 women attended this fun-filled event which included a very enjoyable line dancing session.

We continuted to promote health and well-being with physical activity and organised two **walking trips** outside Sligo – one trip to Gortarowey at the foot Benbulben and one to Union Wood. Micheál Casey, an avid bird watcher led out on the Union Wood walk. Up to 40 adults and children took part in these very popular trips.

We marked **EU Day,** Ireland's 50-year membership in the EU on 16 June 2023. This was coordinated in collaboration with Sligo PPN and Sligo Europe Direct Centre at Sligo Library. We invited people living in Sligo who were born in EU member countries to give a 2-minute presentation on their country of origin and what we could learn from those countries. More cycling opportunities and cycle paths was one of the issues that arose on the day.
Chris McManus MEP attend. Fourteen of the 26 countries were represented on the day.

I got more information about protecting myself and checking breast cancer.

In October 2023 we hosted a **Migrant Women's Information Morning** in collaboration with Akidwa. The topic was women's reproductive and sexual health. This was hosted in the Glasshouse. It was attended by 16 women.

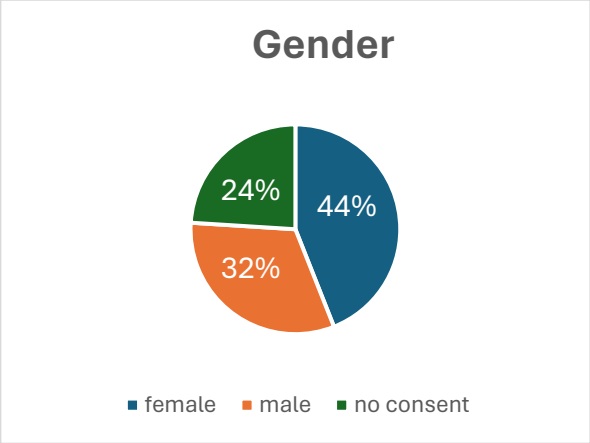

8. Social Prescribing for Health and Wellbeing

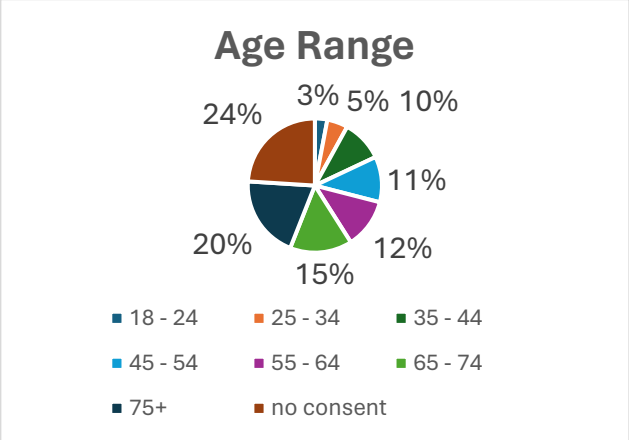

The Social Prescribing Service is available to all those living in Co Sligo over the age of 18. In 2023, the Service received 204 referrals. This Service is offered in Tubbercurry FRC one day a week, in the SUH Mental Health Unit and Screen Primary Care Centre one day a month.

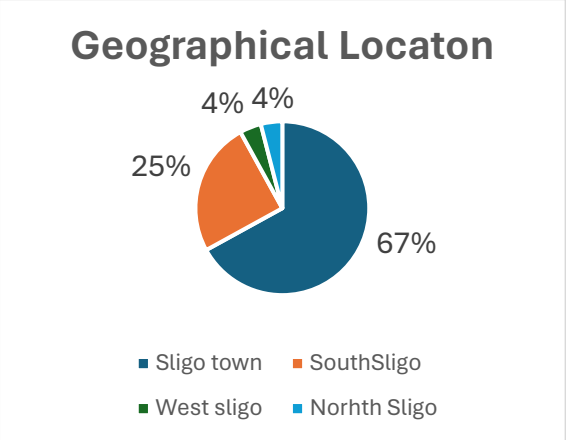

You have given me so much to do now and I am so grateful. I love the gardening, it's my favourite

Each participant who availed of the service was provided with adequate time with the Social Prescriber to discuss what mattered to them and were subsequently linked into an activity or support that matched their needs.

Gender, age range and geographical locations are depicted it the graphs below.

Another part of the work Is the promotion of the service: in addition to the distribution of leaflets and posters to various stakeholders, the social prescriber undertook the following:

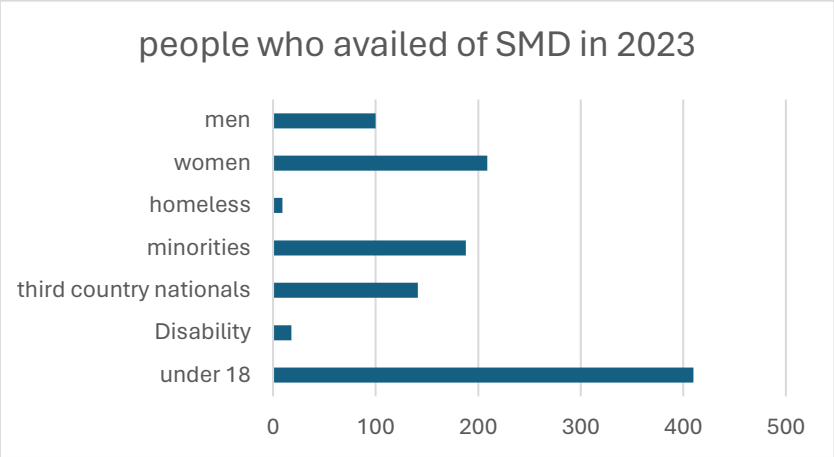

- As part of Social Prescribing Day on 09 March 2023, a collection of videos and testimonials were collected from various participants and services to recognise and celebrate the impact social prescribing has on the health and wellbeing of the community. They were all promoted on social media.
- Attended an online meeting with HSE Health & Wellbeing & Recovery Colleges.
- Provided an information stand at the Community Connections Expo in Sligo Park Hotel
- Presented to Sligo/Leitrim GP Society Meeting in the Chronic Disease Management Hub,

- Delivered an information session to service users of the Community Mental Health Day Services in Markievicz House.
- Promoted service at team meetings within Mental Health professionals at Markievicz House.
- Delivered an online presentation to consultant psychiatrists & nonhospital consultants (NHCD).
- World Alzheimer's Day – delivered a presentation on Social Prescribing and also had leaflets and pull-up banner on display at Sligo University Hospital
- Cardiology Event – delivered a presentation on social prescribing and an information stand
- Presented to nursing students at St Angela's College

9. Adult supports

Support to the Most Deprived funded by the European Union and Department of Social Protection, this service is designed to support those who are struggling by donating food hampers. In 2023 we distributed 324 food hampers to 732 people.

We held a food collection at one of the bigger supermarkets in Sligo over one weekend at the beginning of December where we collected 6 trolley-fills. In addition, we received a donation of food from a local company before Christmas which added an additional 15/20 hampers to our regular numbers.

Healthy Food Made Easy: A Community Cooking Programme

Healthy Food Made Easy (HFME) is a community cooking programme developed under the HSE Sláintecare Healthy Communities Programme. It is an active programme in which participants improve their cooking skills, eating behaviours and nutrition knowledge. Three employees were trained up on the delivery of this programme and rolled out 7 six-week programmes to 38 participants. All programmes were run in the FRC. This imitative is being led out by the Disability Support Service coordinator.

The **Living Well Programme** is a self-management programme for adults with long-term health conditions. The Sligo FRC DSS coordinator is trained in this programme and co-facilitated two programmes in 2023 with 32 participants.

10. Interagency & Networking

Sligo FRC works in collaboration with other organisations locally, regionally and nationally to support families and communities. In addition, Sligo FRC is represented on a range of committees and boards in Sligo in order to represent the needs of families and individuals and to bring about policy and practice changes which it is hoped will improve their lives. Here is a list of those we have worked with over the year.

- Akidwa
- Barnardos
- Buswells Hotel – meeting with local TDs
- Caltragh/Ballytivnan working group
- Child and Family Support Network areas 1 and 3
- Childcare managers network
- Child Protection Conferences
- CYPSC (Children and Young People's Service's Committee)
- CYPSC Learning and Development sub-group
- Donegal Intercultural Platform Migrant Health Project
- Early Years Managers' network
- Family Support Workers Network Sligo/Leitrim
- FRC National Forum
- Foróige
- Health Service Executive
- Healthy Ireland
- Lifestart Supporting Parents
- Meitheal Meetings
- Multi-Disciplinary Team Meetings
- Northwest Regional Forum of FRCs / NW managers' meetings / NW administrators' meetings
- Parenting Support Champions
- Professional Meetings
- Shaping Ourselves and Our Children working group
- Sligo County Childcare Board of Directors
- Sligo Education Centre
- Sligo Leitrim FRC managers' meetings
- Sligo Leitrim Infant Feeding Committee
- Sligo Library
- Sligo Public Partnership Network
- Springboard Resource House

- St Angela's Incorporation with ATU
- Tusla Prevention Partnership and Family Support
- Tusla Commissioning Office
- Ukraine Cluster Group
- We're Breastfeeding Friendly Sligo
- World Heart Day Event, Clayton Hotel.

11. Voluntary Board of Directors, Staff and Volunteers 2023

Sligo FRC is managed by a voluntary Board of Directors who oversee the work of the Centre and strategically guide the services. Twenty-one full and part-time staff are employed to manage and implement the work and ensure services are provided to the highest standard. Nine staff are employed through a CE training scheme.

The Voluntary Board of Directors 2023 was made up of ten volunteers. The executive sub-group meets for employment/staff matters or specific issues. Sub-groups of 2-3 board members are established for specific, short-term pieces of work in order to share the load and they have proved to be effective.

Chairperson: Phil Brennan
Treasurer: Pamela Hunter **Secretary:** Michael Yewlett
Directors: Sonya Coffey. John Burrows, Shona Gallagher, Michelle Doherty, Mary Heery, Saoirse Wynn, Sharon Boles

Staff

Aishling Kelly	Family Support Service Coordinator (job-sharing) /FSW
Allanah Queenan	Disability Support Worker
Carolina Pena Navarro	Family Support Worker
Caroline Cunningham	Coffee Dock assistant supervisor
Cathy McGowan	Administrator
Charlotte Bussmann	Family Support Service Coordinator (job sharing)
Charmaine Davidson	Family Support Worker
Elizabeth King	Manager
Erin Merridith	Disability Support Worker (maternity leave cover)
Fiona Boyle	Disability Support Worker
Geraldine Ryan	Childcare Worker
Helen Powell	Disability Support Worker

Jade O Flanagan	Disability Support Worker (maternity leave from February)
Karen Casey	Disability Support Coordinator and Coffee Dock Supervisor
Loretta McLoughlin	Social Prescriber
Lorraine Johnston	Family Support Worker
Norah McLoughlin	Family Support Worker
Rose McCrann	Footprints Crèche Supervisor
Sharon Nicholson	Disability Support Worker
Therese O Loughlin	Intercultural Support Worker
Tracy Brooks	Disability Support Worker

FÁS Community Employment Scheme Participants (2023), 19.5hrs/week

Administration and Reception	Noreen McGoldrick, Jackie O Brien Craig McKenna, Karolina Bernacka
Development Worker	Therese Harrison Brogan
Caretaker/Cleaner	Remi Borowicz; Michael Coyle
Housekeeper/Cleaner	Ian Matthews

The two CE supervisors, Sarah Cleasby and Sarah McCaffrey, employed by Youth Work Ireland North Connaught have an office in the Sligo FRC and contribute greatly to the overall work of the FRC.

Volunteers

Breastfeeding group: Therese Harrison Brogan later joined our CE scheme

English language: Annick Vincent, Aisling Collins, Roza Barakovska and Lada Zavalova

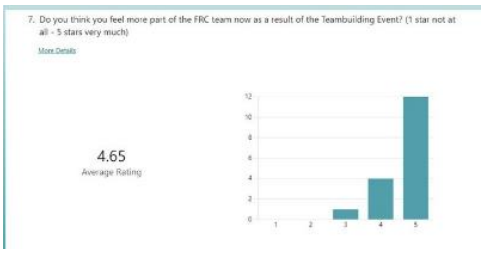

Intercultural Work: Wafa Ibrahim

Summer Camps: Sarah Kisby, Pearl Alcorn

Team Building

Sligo FRC prioritises team building activities within the staff as it recognises that **a strong team through forming bonds and connections** enhances the work of this organisation thereby making what we do more effective. Sligo FRC had a number of team building events during the year including the Step Challenge in May, team lunches, team building games and lunch in September and Christmas night out and party games in December.

Questionnaire to staff asking if they feel more part of a team following the team-building event in September

Students 11 students with 2 adults visited from Carlow University, Pittsburgh, Pennsylvania,USA on 24 May – one of the student, Logan did a 3-week placement with the FRC

Carissa Farrell St Angelas College, Sligo Home Economic Students 14-week placement January – May 2022

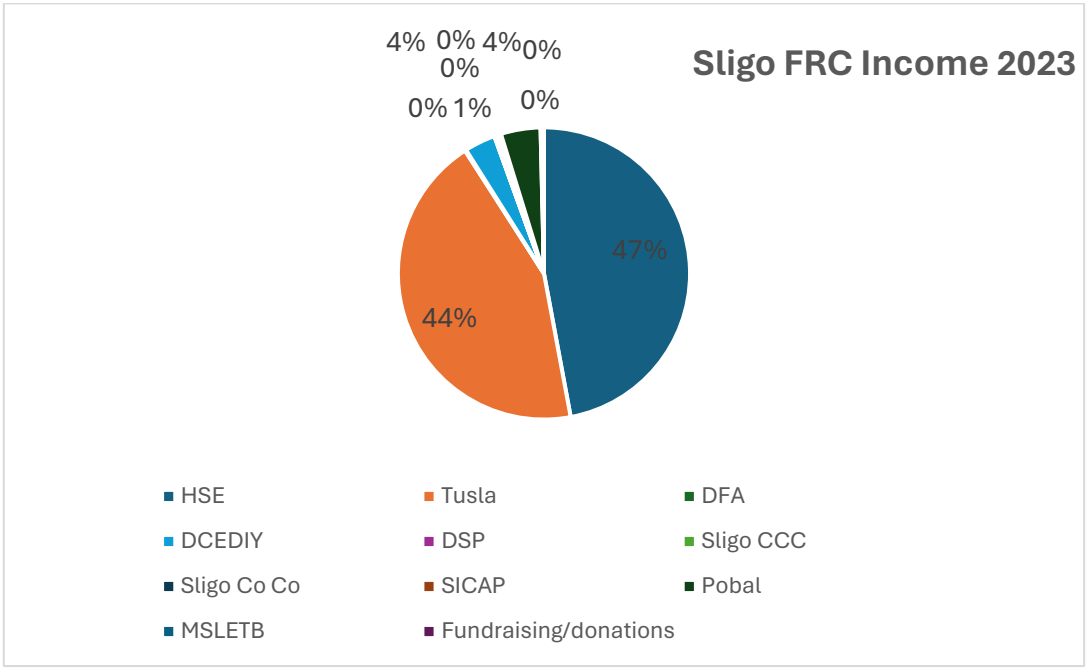

Isabelle Mutoni Ballinode College 2-week placement

Zoe De Brun Fetac Level 5 Childcare course – 2 weeks placement

Eamon Kieley Grange Post Primary School – one day/week for 6 weeks.

12. Funding

Here is a breakdown of the funding received in 2023 (€727,689) and the sources of this funding.

13. Planning and Governance

All registered charities are obliged to complete the Charities Governance Code for the Charities Regulator to ensure they have the minimum standards to effectively manage and control their charity. Sligo FRC Board of Management continue to oversee policies and procedures updating and renewing as necessary to ensure Sligo FRC achieves its charitable objectives with integrity and is managed in an effective, efficient, accountable, and transparent way. In Summer 2023 Tusla did a detailed audit of our practices - a number of changes suggested have now been implemented.

14. Continuous Professional Development 2023–staff

- AsIam
- ASSIST
- Assisted Decision Making (capacity) Act 2015 Guiding Principles
- Celebrating EU/50 National Concert Hall
- Changing families -supporting children when parents separate
- Children's First Online Training
- Child and Youth Participation
- CHO1 Peer Support Meeting
- Coaching Skills for Working Effectively with Participants
- Communicating Effectively Through Open Disclosure
- Consultation with HSE Mental Health & Wellbeing, Recovery Colleges & Social Prescribing.
- CORU information session 2/5/23
- Decider Skills
- Dignity at work
- Disability Inclusion Training
- Fire safety training
- First Aid Responder and Refresher First Aid
- FSW Network meeting with talk from the Simon community
- GDPR
- Healthy Food Made Easy training
- Intercultural Competence
- LAMH
- Making Every Contact Count
- Manual Handling
- Meitheal refresher and Meitheal Lead practitioner support group
- Navigating Mid-life Wellness Sports Partnership
- Parents Plus Parenting when Separated.
- Parents Plus Working Things Out
- Pensions information morning
- Primary care psychology service info session
- RAP (Response Ability Pathways)
- Safeguarding adults at risk of abuse
- Service Promotion & referral pathways
- Social Framing Information Session
- Social Prescribing Peer Networking meeting
